Welcome to the Delphos Country Club Newsletter

Mike Fast Notes

On April 7th, we were supposed to have the original nine greens tine aerified but Mother Nature had a different plan. We received about 2.5" of rain the night before which postponed the aerification until April 30th. This procedure will help the greens drain much better, be firmer and a lot healthier.

I have two new employees that I want to spotlight this month. I'm sure many of you know Denny Elwer and Garry Fairchild. Denny's daughter and Garry's son married each other. Denny and Garry are valuable employees. They do the little things that go unnoticed. Denny was a graduate of Delphos St. Johns and Northwestern Business College where he was a star basketball player. He is married to Cindy and they have been married for 51 years. They have 3 children and 10 grandchildren. He is retired from the University of Northwestern Ohio where he was Vice President of student services. Garry graduated from Riverside where he excelled in football. He loves the Dallas Cowboys. Garry has 4 children, 10 grandchildren and 15 great-grandchildren. Garry was a semi-truck driver until retirement. The two guys always have a smile on their face and are great men.

We had the annual spring cleanup day on March 29th with 28 volunteers. Those people include Mike Heitmeyer, Jeff Schimmoeller, Justin Hall, Jeff Koverman, Chip Kayser, Craig Mansfield, CJ Kemper, John Klausing, Chloe Kill, Faith Cross, Mike Warden, Jeff Martin, Nick Thomas, Andy North, Jay Kundert, Red Menke, Tom Rekart, Jerry Vetter, Jerry Sampson, Wes Markward, Larry Hammond, Ed Weilacher, Alex Horstman, Shawn Dancer, Alissa Gallmeier, Shane Gallmeier, Brian Hensley and Evan Altenburger. Jobs that were completed include stick pickup, power wash the clubhouse porch and furniture, cut up a tree between holes 14 and 16 and edge the driving range mats.

As of early May, the *poa annua* will start seeding which will tend to slow down the greens. The seeding will be done and the greens will be smooth by the beginning of June. Until then, hit it long and straight!

Maintenance Building Addition

The maintenance building faced overcrowding issues, making it unsafe and inefficient for equipment and personnel navigation. To address this, an addition of 1600 sq ft was made to the existing 2500 sq ft. This provides us with the extra space needed to store tractors and turf equipment, provides a safe winter storage area for 12 golf carts and improves our overall safety.

A Note From Your Pro

As you are aware our standing tee times are in place. I ask if you are not going to use your standing time, please call the golf shop and cancel it so we can open up that time slot. Old Pal Matches will soon begin, so please make sure you get your match played by the deadlines. We have a few new golf shop employees this year. Mark Mathews, who went to Ohio University the same years I did, made him an easy hire. Mark is getting a handle on things very quickly so now he just has to learn all of our members' and guests' names. To help me with this, ***please make sure you check in at the golf shop*** and introduce yourself to him so he can put a face to a name. Also, Elyse North will be helping out from time to time. Returning in the golf shop are Terry Odenweller, Susan McGue, Isaac Gallmeier and Lexie Honigford. We are looking forward to serving you this summer.

Ongoing Phone System Issues to be aware of:

For those of you who are not aware, mid-year in 2024, we updated our phone system here at DCC. I heard from many members and non-members alike that when they dial our main number, it goes directly to the answering machine. In fact, we do not hear the phone ring until after the person calling hits the correct directory number when prompted. The following numbers will get you to the department and person you need to speak to.

#1 Golf Shop- Book a tee time, report a lost item, inform us that you are running late, etc.

#2 Head Golf Professional, Trevor Thomas- Book a lesson, an outing or anything you would need assistance from the Head Pro/General Manager.

#3 The Restaurant/Clubhouse- to book a banquet, rent the dining area, order food, etc.

When you choose one of the listed numbers, the phone rings to the designated area. If we are busy and cannot answer, a voicemail message may be recorded and we will return your call as soon as possible. Thank you
