Mike Fast Note

It's turning out to be one of those springs in which it's raining every other day. It just doesn't want to warm up and when it does it's very windy. The long-term forecast is hot and dry. The maple seedlings or whirligigs have been more plentiful than ever. Luckily, we're almost through this period, but the next thing will be cottonwood trees blowing their cotton all over.

Despite the challenging weather conditions, our maintenance team continues to work diligently. Let me introduce to you Dave Desenberg and Ron Bonifas. Dave has been at the club for 6 years, and he is a workhorse. He is married to Cathy, and they have 2 daughters and 1 son. Dave graduated from Bowling Green State University and Bluffton College. He taught school at Huron, Elida and Delphos St. Johns for a total of 42 years. He coached track for 28 years and has 35 years of experience as a football coach. He was the line coach and coordinator for 4 state championships and 1 runner up for the Blue Jays. Dave's dedication to teaching and coaching has shaped many young kids' lives, earning him respect and admiration in the community.

Ron Bonifas has been the do-it-all mechanic here at the club for the past 3 years. There is nothing he can't fix. He is married to Karen and they have 3 sons and 5 grandsons. He is a graduate of Delphos St. Johns and is a retired automobile technician. Ron loves to run and has completed 26 marathons with the fastest time of 3 hours and 2 minutes. Ron loves to share his marathon experiences, especially his memorable runs in Boston. Ron's expertise as a mechanic has been invaluable, ensuring that all equipment is running smoothly and efficiently.

Thank you Dave and Ron for your excellent work. Next month, I'll share more about our great staff.

A Note From Your Pro

Thank you for your patience as we work our way through Mother Natures' less than ideal weather pattern as Mike stated above. As we enter the summer days ahead, I'd like to remind you that the golf course will be getting busier. Please make sure you book a tee time by using the online portal through ForeUp. Or, call us here at the golf course and let us know who we are talking to so we can find a tee time that would fit best for you. Sign ups have begun for our July 11th Member/Guest here at DCC with a field set for the first 36 teams to sign up. See us in the Golf Shop for

information. Again, Junior Golf will be on Wednesday mornings in June and the first 2 Wednesdays in July. Therefore, the range will be closed until noon on those days.

Keep in mind every round you play needs to be posted in the GHIN handicap app. Some of you have not been doing this. Please help me out so I don't have to chase you down and have that uncomfortable conversation.

Also, with the increased play on the golf course we ask you to make sure you use the sand bottles to fill in divots you make in the fairway and fix your punch marks on the green. Rule of thumb is to fix your mark plus one more that someone forgot. This will keep our greens in very good condition as we enter the summer.

Range use will still be on the matts on Mon - Wed - Fri to save the turf. If you want to hit a driver off a tee, it's ok to set up just in front of the matt as long as you use a tee and do not take divots.

As in the past, my door is always open if you have any questions on events, need to book a lesson, etc.

Your Pro,

Trevor
