Welcome to the Delphos Country Club Newsletter

Mike Fast Note

We finally have had some great weather this past week with temperatures in the 70's during the day and nighttime temperatures in the 50's. What a welcome relief for the turfgrass in that it can recover from the extreme summer weather we had. Soon we will begin seeding thin areas in the

rough and start our aerification process later this Fall. The best of the year is upon us with the start of high school, college and pro football. Go Bucks!

I want to spotlight two more of our maintenance employees- Steve Ostendorf and Kevin McGue. Steve graduated from Fort Jennings and ITT Technical Institute and is married to Becky. They have 5 children. Steve retired from Unisys Corporation where he was an employee since 1974. He also served in the US Army for 2 years. He loves to watch all kinds of sports and supports Delphos St. Johns and Ohio State. Steve is a great worker that can do everything and is very important to the Club.

Kevin started earlier this summer but has quickly caught on. He is a graduate of Delphos Jefferson and is retired from Kosei in St. Marys where he was a tool and die supervisor and technician. He is married to Sue who is employed in the ProShop. They have 1 son and both love to fish. Kevin competes in bass fishing tournaments and spends quality time with Sue at a lake cottage in Michigan. Kevin does one of the most important jobs at the club, which he is very good at.

Enjoy the Fall, which in my opinion is the best time of year for golf!

~Thanks, Mike Fast

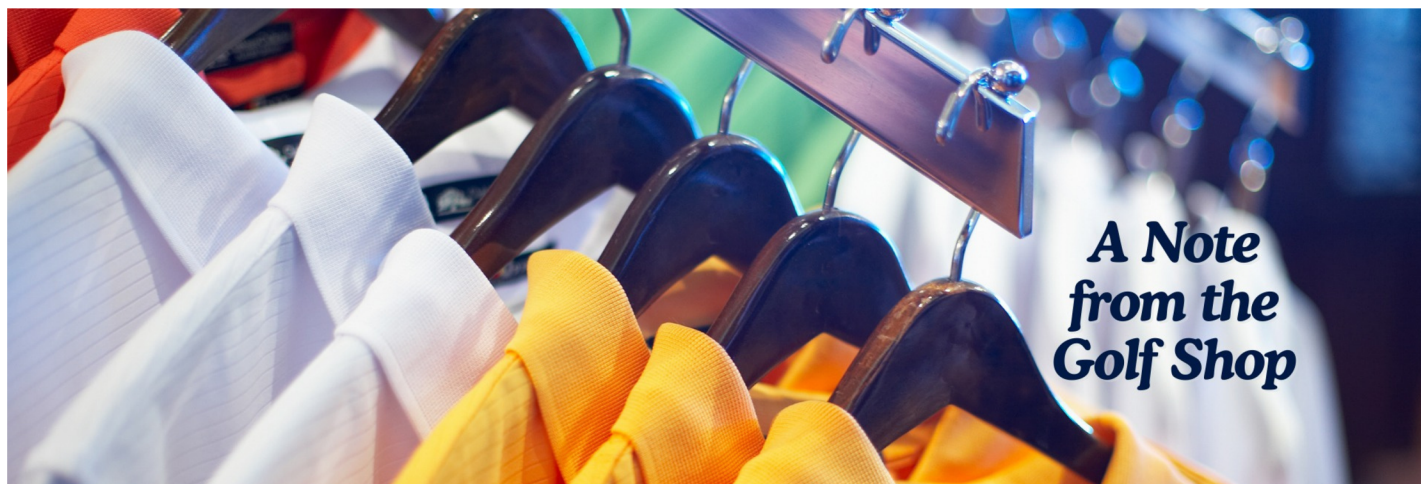

A Note From Your Pro

Thank you all who have participated in this year's member tournament events. We have 2 more events on the calendar. September 20th will be our Par 3 tournament, where we will convert all 18 holes into par 3's. Our 4 normal par three holes will be regular length over 150 because of hole-in-one prizes. The other 14 holes will be between 15 yards and 170 yards with perhaps obstacles in the way and tucked pins. We will play a Shamble and count 3 best balls of the 4. Closest to the pin on every hole will win three 4-packs of TaylorMade golf balls and also qualify for a CTP contest on Hole #18 from 100 yards to determine one lucky golfer for a chance at a hole-in-one from 165 yards for \$1,000,000.00. Sign up early, as we cap this event at 26 teams with a cash payout. \$300 per team (paid in cash) covers golf, range, prize purse, as well as a hot dog or brat at the turn, and ends with a Mexican Taco Bar after the tournament.

Sunday, September 21st will be the computer team picked Shamble Tournament. \$20 entry and number of people winning club credit will be determined by number of entries.

~Your Pro, Trevor

Golf Shirts and Outerwear will be an extra 10% off the DCC Member Price from Sept 1st - Sept 15th. Stop in while the selection is good.

Below is the list of teams we will use for parimutuel wagering. You will bet on team number, not hole number. Minimum bet per wager is \$2. Wager as if you would wager on a horse race. Win - Place - Show First - Second - Third. See Trevor in the Golf Shop to place your bets. Betting will close at at 8:30 on Saturday, September 6th.

Golf has an incredible history and there are many fun facts that most folks don't know!

Golf was banned in Scotland 3 times:

Today, golf isn't known as a rebellious sport, but there was a time when it was. Golf was banned in Scotland between the years of 1457 and 1744 because the government believed it interfered with military training.

Tiger Woods made his first hole-in-one at eight years old:

Tiger Woods took an interest in golf at only six months old and his father started teaching him at two years old. He began swinging a club at 2, and by 8, he'd sunk his first ace.

Jordan Spieth golfs right-handed - But he is left-handed:

How did this occur: Spieth started swinging his father's hand me down clubs and continued to learn right-handed as equipment and instruction was easier to come by from the right side.

Most golfers never break an 18 handicap:

Most professional golfers play to handicaps of +4 to +6, and that is before they enter the professional ranks. Unfortunately, not all golfers are this gifted. The vast majority will not play to a handicap under 18.

Listed are upcoming events and dates. These dates are also on our website calendar which is delphosgolf.com/events. Please access the website for the most up to date information. For most events, there will be a pdf on the tournament date that will give the cost, format, deadline, tees, ties, etc. Outside golf outing information will not be there. Again, please refer to our website periodically with the most current information.
