Mike Fast Note

It is the start of summer, and we are running on all cylinders. The greens have been toppedressed with sand numerous times. They are smooth, true and fast. Just the way we want them!

We are looking for someone that is considered a jack of all trades. Someone that can do electrical work, some plumbing and even some carpentry work. This part time position would be perfect for

an individual that is retired and wants to help as needed. If you or someone you know is interested, please contact myself or Trevor.

~Thank you, Mike Fast

A Note From Your Pro

Mother nature is finally coming to her senses and is giving us the golf weather we have been waiting for. With that said, I'd like to remind you if you have a standing tee time that you are not going to use, please notify the golf shop so we can open it up to other golfers.

Our Course Improvement Tournament is fast approaching. Get your team to me as soon as you can, so I know if we need extra carts. The money doesn't need to be paid until Thursday June 11th for the Team.

Also, our Friday, July 17th Member Guest Deadline is June 16th.

Club Championship Qualifier is Thursday, July 9th. Tee times following the Lima Junior Golf.

Junior Golf Clinics start this week on Wednesday's morning, so the Driving Range will be closed until 11:30 am after the clinics.

~Your Pro, Trevor
