Mike Fast Note

Wouldn't it have been great if we could have continued the awesome weather of May with timely rains, temperatures during the day in the 70's and nighttime temperatures in the 50's. With that being said, what a heat wave we had last week!

As I wrote in last month's newsletter, we are still looking for someone that can be a handyman here at the club. Someone with experience with carpentry, electrical and plumbing. Please contact me if you know anyone.

~Thank you, Mike Fast
