Mike Fast Note

We have been through a rough stretch of weather in July with very high temperatures, high humidity and plentiful rainfall. As someone who manages turfgrass, this isn't ideal to produce firm, fast conditions. I like it dry with mild temperatures. Normally we get that kind of weather in August, September and October. Relief is on the way! After writing this, I look out my office window and see that the golf course is nice and green, so maybe I'm stressed about nothing.

~Thank you, Mike Fast

A Note From Your Pro

July passed quickly, accompanied by frequent rain showers. We were pleased to host a successful Club Championship Weekend and extend our congratulations to all winners!

With the arrival of August, the high school golf season also begins. Members are asked to consult the calendar posted in the golf shop and plan their playing times accordingly, as four to nine teams may use the course for home matches after school on many evenings. We appreciate your patience and consideration when playing behind these student golfers. To help preserve the driving-range turf, please use the mats on Mondays, Wednesdays and Fridays. The ropes will also be repositioned periodically to distribute wear across the hitting areas. On Wednesday evenings, the range will close at 7:00 pm for a clean pick. The range will reopen on Thursday mornings once mowing has been completed. The Calcutta registration deadline is August 20. As we get closer to the end of sign-ups, we need an even number of groups in eight, equivalent to two foursomes per hole. For example, if 131 players register, the field will be limited to 128 participants, and the final three registrants- numbers 129, 130 and 131- will not be included. Early registration is strongly encouraged. Please sign up sooner rather than later.

~Your Pro, Trevor

The Club Championship Weekend featured an exciting format this year. In the High School Flight, Evan Altenburger defeated Parker Langhals on Hole 17. The Superior Senior Flight match between Barry Stirn and Mike Allen came down to Hole 18, where Stirn secured the win. In the Senior Flight, Jeff Koverman beat Brent Unterbrink 3 and 2. The Second Flight match between Shane Gallmeier and Eric Schnipke went to the 19th hole, with Gallmeier coming out on top. In the First Flight, Andrew Hermiller edged Nick Beining on Hole 18. In the Consolation Flight, Cooper Wall brought his best game against Grant Leis and won on Hole 13. The 2026 DCC Club Championship match between Cody Kundert and Jack Gerker also required an extra hole, with Gerker making birdie on Hole 1 to defeat Kundert on the 19th hole. Congratulations to all the winners, and we hope everyone enjoyed the head-to-head competition.
