Mike Fast Note

It seems like every summer is different and it does not seem like we have normal weather. We have had over 8 inches of rain in the last few weeks. It probably is a record rainfall for the month of August, but I have heard other places having as much as 15 inches. Luckily for us, it did not all come at once and the temperatures were not too hot. We would have lost a lot of grass if that was

the case. Lately, the temperatures have been ideal for golf and growing turfgrass. I just love when it is in the 50's at night and upper 70's during the day.

As I write this newsletter, Jay Kundert is volunteering his time with overseeding bare areas in the rough. Now is the perfect time to overseed your lawn. If you have full sunlight, use a turf type tall fescue, perennial grass, and Kentucky bluegrass blend. If you have some trees, add fine fescue to the mix. Avoid grass seed labeled Kentucky 31. You should use a starter fertilizer, like 12-24-12. The three numbers represent the nutrients nitrogen, phosphorus and potassium. A fertilizer that is high in phosphorus is good for seedling growth. As a side note, I would like to thank the Ottoville golf team and coaches, for spending extra time filling divots on the tees and fairways.

We have some big events coming up at the club, namely the Calcutta. We will do our best to have the greens in perfect condition for the tournament. I do not change the height of cut on the greens mower, but I will do a few other maintenance practices to make them putt as fast, true and smooth as possible.

Have a great Fall, in my opinion, the best time of the year, Go Bucks!

~Thank you, Mike Fast

A Note From Your Pro

Mother Nature sure was an upset in August this year dumping over 8" inches of rain on us. However, we did manage to host two of our largest golf outings with the Rustic Cafe on August 1st and The Curtis Schwinnen Memorial on August 22nd. Each had 180 golfers. Once again, Allen & Van Wert Counties were victorious over Putnam County in the border wars on August 8th.

Our Calcutta Tournament filled up early with the incentive of winning a new TaylorMade Qi4D Driver on Calcutta Draft night. We had 107 golfers signed up before the deadline of July 31st. The lucky

winner of the new Driver was Jason Mahlie. Dave Koester was luckiest to win the 50/50 drawing. This year's Calcutta is made up of 128 players totalling 32 teams. It should be a fun hard golf course to play on September 12th. Keep in mind that the Club will close at 3:00 pm Friday September 4th and will reopen Sunday morning at 7:45 am on September 13th as long as we finish the Calcutta on the 12th.

Labor Day is Monday, September 7th. We will move Sunday's Standing tee times to Monday.

Sign up is starting for the Par 3 tournament on Sunday, September 27th 9:00 am Shotgun start. Each team must have at least 1 Non-Member. So Teams can be 2 members 2 Non-Members, 3 members and 1 Non-Member, 1 member 3 Non-Members or 4 Non-Members. We will once again play a 4 person shamble with counting 3 of the 4 balls for 1 score per hole. Par would be 9. So if someone hits it close and 2 of you make the putt your score would be 6 for the hole. \$300 per team paid in cash or check by Friday, Sept 25th. Deadline is Tuesday September 22nd. Each closest to the pin winner, wins a chance to compete for a hole in one shot from 165 on #18.
